Petitioner

I. INTRODUCTION

On May 13, 1996, pursuant to G.L. c. 164 App., §§ 2-1 through 2-10 and 220 C.M.R. §§ 7.00 et seq., Cambridge Electric Light Company ("Cambridge" or "Company") filed with the Department of Public Utilities ("Department") a petition for approval by the Department of the Company's proposed surcharge of \$0.08 per monthly bill for the residential energy conservation service ("ECS") program for the fiscal year July 1, 1996 through June 30, 1997 ("FY 1997"). Cambridge is a member utility of Mass-Save, Inc. ("MSI"), which provides ECS to the Company's customers on behalf of Cambridge. The petition was docketed as D.P.U. 96-49-B.

Pursuant to notice duly issued, a hearing was held at the offices of the Department on June 3, 1996. No petitions for leave to intervene were filed. In support of its petition, the Company sponsored the testimony of one witness: Anthony J. Casella, manager of rate administration at COM/Energy Services Company.¹ The Company submitted six exhibits, all of which were admitted into evidence.

II. ECS SURCHARGE

The ECS surcharge is calculated by dividing the total number of bills expected to be rendered during FY 1997 by the net amount to be collected to support ECS services (Exh. CEL-3). The Company indicated that its share of MSI's proposed FY 1997 ECS program budget, approved by the Department in Mass-Save, Inc., D.P.U. 96-49 (1996), is \$67,632 (id.). The Company has also added \$2,000 in estimated direct expenses to the proposed FY 1997

budget (id.). In addition to the projected ECS program expenditures, the Company provided documentation which reconciled undercollections and overcollections from prior fiscal years (id.). The effect of these reconciling items is an undercollection of \$4,523 for the fiscal year July 1, 1995 through June 30, 1996 ("FY 1996"), and an overcollection of \$30,100 for prior fiscal years (id.). Adjusting the budget amount by these under- and overcollections results in a net amount to be collected in FY 1997 of \$44,055 (id.).

For FY 1997, the Company proposed an ECS surcharge of \$0.08² per bill per month (Exh. CEL-2, at 4). The Department notes that the proposed ECS surcharge is \$0.05 per bill less than the ECS surcharge of \$0.13 per bill per month approved by the Department in Cambridge Electric Light Company, D.P.U. 95-46-B (1995) for FY 1996. The Company witness stated that there are two reasons for this decrease: (1) a reduction in the Company's portion of the MSI budget for FY 1997; and (2) a net overcollection of approximately \$20,000 (Tr. at 8, 9).

III. FINDINGS

Based on the foregoing, the Department finds that:

1. the proposed FY 1997 ECS program budget, budget reconciliations, and proposed FY 1997 surcharge, are reasonable; and
2. the ECS surcharge to be applied to Company bills during the fiscal year July 1, 1996 through June 30, 1997 shall be \$0.08 per bill per month.

² The Company's surcharge calculated to four decimal places is \$0.0825 (Exh. CEL-3, at 1). The calculation truncated to two decimal places results in a surcharge of \$0.08 to be applied to customers' bills.

IV. ORDER

Accordingly, after due notice, hearing, and consideration, it is

ORDERED: That the ECS surcharge to be applied to Cambridge Electric Light Company bills during the fiscal year July 1, 1996 through June 30, 1997 shall be \$0.08 per bill per month; and it is

FURTHER ORDERED: That Cambridge Electric Light Company shall file for an adjustment to its ECS surcharge in the event that it is overcollecting by more than ten percent at the end of the third quarter of FY 1997.

By Order of the Department,

Mary Clark Webster, Commissioner

Janet Gail Besser, Commissioner
